Possible Demonstrations in Lusaka

The U.S. Embassy has received reports that there may be large protests today and throughout the weekend. Zambian Police have stated that protests may occur in downtown Lusaka, specifically in areas between Cairo Road and Freedom Way.

During a protest march in Lusaka yesterday, unconfirmed media reports that police arrested a number of protestors and an unknown number of people were killed and hurt.

We remind U.S. citizens that even peaceful rallies and demonstrations can turn confrontational and possibly escalate into violence. U.S. citizens are, therefore, urged to avoid the areas of demonstrations and to exercise caution if within the vicinity of demonstrations. U.S. citizens are advised to stay current with news media coverage of local events and be aware of their surroundings at all times.
